## Calling All EXPLORERS!

*Have you ever wondered what critters live in our streams and forests?*

*Or how to find food and shelter in the woods?*

At Nature Nuts Summer Day Camp, we'll uncover the wonders of the world around us with fun adventures every day, and make new friends in the process!

*"Both my daughters LOVE attending Columbia Springs summer camp! Being outdoors and learning about how to help the environment is very important to young kids. This camp helped my girls feel more confident and secure in themselves."*

- Emily Schatz, parent
