How can you talk to family, friends and neighbors about Climate Change?

Join us at Columbia Springs to learn how to have an informed, cordial and positive conversation around your Thanksgiving table (or anywhere else)!

Our three-part series, lead by educators and climate change activists Grace Teigen and Gene Wigglesworth, will refresh you on the science and history of this complex subject.

You will come away feeling competent and empowered with techniques for comfortably sharing information and more than 100 ideas of what you and others can do.

\$15/person, includes a light meal at each workshop.
Registration is limited to 25 people.
