

Celebrate Critters

Saturday, April 14

It's all about frogs and snakes...and the clean water they need!

Critter Count

9 a.m. to noon | Begin at the Water Resources Education Center

- Celebrate Earth Day at the 18th Annual Critter Count by counting frogs, snakes and other herps around Clark County
- Train with a wildlife biologist at 9 a.m.; then go with experts to local sites to find and record critters
- Please dress for the weather; all children must be accompanied by an adult

Live Critter Shows

1 & 2 p.m. | Second Saturday at the Water Center

- Creature Feature presents two live critter shows at 1 p.m., and then again at 2 p.m.
- See snakes, lizards and other reptiles up close
- Discover more about amphibians and reptiles
- Learn how to be a "Herp Hero"
