

Participation, Waiver, and Release Agreement

Please Read Carefully Before Signing: This Is a Release of Liability and Waiver of Certain Legal Rights

In consideration for my being permitted by Cascade Forest Conservancy (CFC) to participate in the various activities that take place in the forests of Washington and roads of Washington and Oregon, I agree to the following waiver and release: I acknowledge that travel in forest areas, activities, and work projects have inherent risks, hazards, and dangers that cannot be eliminated, particularly in a forested environment. **I understand that these risks, hazards and dangers include without limitation:** 1. Risks arising from any activities in areas where no outside services are available or provided; where rescue and advanced medical care and services are limited and will be slow, if available at all; where trail or road conditions vary, are not maintained or controlled and are unpredictable and changeable; where hazards may not be obvious or visible; where weather is changeable and unpredictable; 2. Risks involved in decision making and route finding in a forest environment; and 3. Such other risks, hazards and dangers that are integral to forest travel and activities that take place in a forest environment such as hiking, climbing, backpacking, planting trees, and walking on rough, wet, uneven, or steep terrain.

I have read and understand the information provided by CFC regarding the activities, work projects, and travel to and from the areas for such activities and projects. I also acknowledge that CFC staff has been available to more fully explain to me the risks, hazards and dangers of the subject activities and projects. I understand that participation in the travel, activities, and projects in a forest environment may require good physical conditioning and a degree of skill and knowledge different from other activities. I understand that I have responsibilities as a forest visitor. **I am voluntarily participating in the activities and projects of CFC with full knowledge of the inherent risks, hazards and dangers involved and hereby assume and accept any and all risks of injury, paralysis or death.**

Lastly, for myself, my heirs, successors and executors, I hereby **knowingly and intentionally waive and release, indemnify and hold harmless CFC**, its directors, officers, agents and employees, from and against any and all claims, actions, causes of action, liabilities, suits, expenses (including reasonable attorney's fees) and **Negligence** of any kind or nature, whether foreseen or unforeseen, arising directly or indirectly out of any damage, loss, injury, paralysis, or death to me or my property as a result of my participation in the activities and projects of the CFC, the use of its information services and traveling in a forest environment from **Negligence** of CFC, its directors, officers, agents or employees, or from some other cause. I further agree not to sue CFC as a result of any injury, paralysis or death that may occur while participating in its activities, projects, or travel.
