

Celebrate the 22nd year of the Portland Audubon Native Plant Sale!

Audubon Society of Portland will hold its annual native plant sale on Saturday, April 21 and Sunday, April 22, from 10 AM to 4 PM at 5151 NW Cornell Road, Portland.

Naturescape your home and garden with low-maintenance options while coming to the aid of local ecological health, urban wildlife, and habitat. Over 100 beautiful and attractive plants indigenous to Oregon and SW Washington will be available to purchase, including those for shade and sun, and for pollinators, butterflies, and hummingbirds. Experienced gardener volunteers will advise and assist, and the Portland Audubon Education birds of prey will make appearances.

Free and open to the public. All proceeds go to maintaining our beautiful 150+ acre Nature Sanctuary in NW Portland, enjoyed by more than 40,000 people each year, and Portland Audubon programs such as nature education and wildlife rehabilitation.
