

STORYTELLING

Make your stories come alive! By working with existing fables and legends we discover how and why they capture our imaginations and speak to our hearts and minds. Understanding story structure, such as the classic Hero's Journey, helps you make a story your own and one you can tell over and over. Holly Robison is a professional storyteller and inspiring instructor who delights in introducing people to the art of being a storyteller. Children must register with an adult. 12 years — Adult.
