

## Sustainability Workshop Series

# Composting 101

# Backyard Composting made simple

## Want to begin composting your yard and some of your kitchen waste?

Turn your garbage into black gold at a Columbia Springs workshop! This two hour class will get you started building soil health in your own backyard, and save you money on your garbage bill. Join us for an introduction to the science of composting and a visit to a composting demonstration site to see composting bins and systems in action.
